These nights are pleasant and very conducive to sleep.

There was no preaching at any of the churches Sunday or Sunday night.

Harrison Cunningham, colored, was tried in Judge Kales' court at Liberty for breach of the peace and fined \$100 and costs.

The dry weather continues. Not only stock water, but water for domestic uses is getting scarce in many parts. Rain is badly needed.

Crops are good in this section. Early upland and all bottom corn is the best in 10 years, while late upland corn is cut short by the drought. Apples are scarce as is the peach crop. Other crops are good and farmers are happy.

The Edwards followers are very jubilant at the decision of the committee at Somerset, while the adherents of Hunter are very sore at the rough treatment received at the hands of the "Edwarized" committee. They call it drowsy-right robbery and many of them will mark their ballot for Honest Geo. Stone and the purity of the ballot.

Mrs. Sallie Elder has returned to her home in Missouri after a pleasant visit of several weeks to friends and relatives. John Eason and sister, Miss Pearl, of Garrard, were the guests of their cousin, Miss Sallie Eason. Miss Lula Adams, who is teaching school at Celeste, spent Saturday and Sunday at home. Jason Wesley, the best circuit clerk and all round republican in Kentucky, spent a few days with the home-folks. Mr. and Mrs. Matt Horton, of Frankfort, are with Mrs. Horton's father, Col. J. W. McWhorter, Sr., and other relatives. Mrs. Alida Brown returned to Louisville Monday after a pleasant visit to her parents, Mr. and Mrs. J. F. Adams. Henderson DeFord, formerly of Hithel Ridge, has joined the regular army.

At Aurora, Mo., J. H. Palmer, a miner, shot and mortally wounded W. T. Tuttle, another miner, killed three of his children and then shot himself. It is alleged that Mrs. Palmer was the cause of the trouble.

The prayer meeting of the Christian church will be held with members of the congregation while that church is undergoing repairs. Next Thursday night it will be held at the home of Mr. Will Severance.

The first quarterly meeting of the Methodist church will be held here next Saturday and Sunday. The quarterly conference will be held at 2 o'clock Saturday afternoon. Rev. J. W. Simpson, presiding elder, will be present.

The singing at the Christian church Sunday morning and that at the union services at the Presbyterian church in the evening was probably the best ever heard in Stanford. Prof. J. Walter Wilson and our musical talent made music worth going many miles to hear.

Dr. Hittitt, president of Central University, Danville, preached two excellent sermons at the Presbyterian church Sunday morning and evening. No more able preacher has been heard by a Stanford audience in years. Large crowds heard both of his splendid discourses.

In Praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, Mr. C. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind." For sale by all Druggists.

A plan to poison James H. The near relative whom the Negro accused will not be arrested.

THE INTERIOR JOURNAL

E. C. WALTON

DEMOCRATIC TICKET.

For President.

ALTON BROOKS PARKER,

of New York.

For Vice President.

HENRY G. DAVIS,

of West Virginia.

For Judge Fifth Appellate District.

JUDGE JAMES E. CANTRILL,

Of Georgetown.

For Congress.

GEORGE G. GILBERT,

of Shelby.

NOMINEE PARKER'S letter of acceptance is just what the democrats wanted. It touches on every important subject and his positions on them are made as clear as the noon day sun. The letter is much shorter than President Roosevelt's and the spirit in which it was written is decidedly better. In short it is just such a letter as was expected from the grand man Mr. Parker. Read it and you will be stronger than ever for the gentleman from Esopus.

In speaking of New York's democratic nominees for Governor and Lieut. Governor, Ex-President Cleveland, who seems to have returned to the democratic fold, says: "Certainly there can be no doubt of Judge Herlick's rugged honesty, great ability and unyielding devotion to democratic principles, and I am glad to see the younger element of the party so completely represented as is done by the nomination of Mr. Harrison."

THE race for Representative in Franklin between Hons. E. H. Taylor, Jr., and L. F. Johnson is getting red hot. The principal issue seems to be whether or not Col. Taylor employed a Negro woman boss over white girls at his distillery, an allegation which the genial colonel most vehemently denies.

IT will become Chauncey Depew to poke fun at Henry G. Davis, the democratic nominee for vice president, because of the latter's age. Every impartial man will be bound to admit that the democratic vice presidential nominee is not near as old as some of Chauncey's jokes.

THE Mt. Vernon Signal has just rounded out its 17th year, five years of which it has been under the management of the present editor, E. S. Albright. It grows better as it grows older and no exchange comes to us that we enjoy more.

THE complexion of the next house of Representatives may depend upon the vote in Kentucky. There is no dissatisfaction in any district and with the exception of the Eleventh District, the entire delegation should be democratic.

DR. HUNTER says that he has not given up the fight for the republican nomination in the 11th district, but will make a contest. "The robbers will not be allowed to get away with their booty unchallenged," he says.

THERE were 70 divorces granted at one sitting of the Chicago court. The Windy City beats the world for divorced people and her unsavory reputation in that line is growing daily.

THE democrats in New York are highly pleased with Judge Parker's letter of acceptance, and the press and the party leaders are according it the highest praise.

IF Roosevelt's mind could be analyzed, it would doubtless be found that he really admires the virtues he has not.

To The Voters of Lincoln County.

As I am and have been a life-long democrat, true and loyal to my party and especially to the democratic party of Lincoln county, I take this method of announcing to you for the nomination on the democratic ticket for sheriff of the grand old county of Lincoln. I have been a resident of Lincoln county for more than 20 years and have never been a candidate nor asked for office of any kind. I have been engaged in many business enterprises, all of which have proven a success, therefore, I feel competent to the trust and will do all in my power to make the people of the grand old county of Lincoln proud of my nomination and election. Believing that I am not asking anything unreasonable, I respectfully solicit your support.

W. L. MCCARTY.

The democratic primary held in Madison county to select nominees for county offices resulted in the nomination of the following ticket: Judge, N. B. Turpin; Attorney, R. H. Crooke; Clerk, Jesse Cobb; Sheriff, P. B. Broadus; Jailor, Buck Johnson; Supt. of Schools, John Noland; Assessor, B. P. Wagers.

ROBBER OF HIS WATCH.—George E. Alford, formerly of the West End, but now of Lexington, was robbed of his fine watch and fob valued at \$240, in that city a few nights since. The watch is a heavy gold one and has "G. E. Alford, Stanford, Ky." engraved on the case.

HORACE CRAIG KILLED.—Horace Craig, who lived here until he was about 12 years old, was run over at New Haven by the freight he was brak-ing on and both of his legs were cut off. He died a few hours later. The remains were taken to his home at Lebanon Junction and interred. Mr. Craig was about 21 and had just begun brak-ing.

REGISTRATION.—Under the provisions of an act of the last Legislature registration is made compulsory in all incorporated towns. In Lincoln county all those living inside the town limits of Stanford, Hustonville, Crab Orchard and Rowland must register next Tuesday, October 4th, if they desire to vote in the presidential election, in the December primary or at any other election to be held in the county. When you register see to it that you receive a certificate of registration from the officers of registration, for when you vote at any election you must show your certificate of registration to the officers of election. Democrats register and see that your neighbor does likewise.

Chairman Cowherd, of the democratic Congressional committee, says the situation in the Congressional districts is all that could be desired and that the democrats expect to carry a sufficient number of the doubtful districts to control the House.

Two ways for contesting the award of the certificate to D. C. Edwards are open to Dr. Hunter. He may take the primary into the courts, or he may file a contest before the State central committee. One of these two methods will be chosen by Dr. Hunter.

"BE INQUISITIVE"

DO YOU KNOW that our facilities for buying goods cheap are in a number of ways superior to our competitors. PETTICOATS.

Ready-to-wear silk and satinet petticoats are now one of the staple articles of the Dry Goods Store and values are improving each season. We thought last season it would be impossible to improve on the ones we sold, but this season we have improved the line and added some new numbers. See the real good things we offer at 65c, 80c, \$1, \$1.25 up to \$3.50; silk \$5 to \$7.50.

"PEACE WITH HONOR."

Of an Irish journalist it was said that he wrote his editorials with a shillalah and defended them with an axe. This remark often recurs to us when we run across advertisements breathing a spirit of antagonism that must be offensive to the neutral reader. What cares the public about the petty squabbles of competitors? As for us, we shall pursue the even tenor of our way, undaunted by innuendoes, no matter from what source they come. Our ads. are addressed to the public. Nor shall we be so unmannered as to shoot over their shoulders at rivals.

New Fall Dress Goods.

We have gotten our first shipment of skirts and they are pretty, too. We are showing them in Panama, Granite, Rain Proof, Broadcloth, Etc. The styles are pretty and very full. Let us show you the new ones.

THE announcement for sheriff of Mr. W. L. McCarty, of Kingsville, appears this issue. He is too well known in this county, where he has lived so long, to make comment of him necessary. Besides being an excellent citizen, Mr. McCarty is a splendid democrat and is fully deserving of the office he seeks. The affairs of Lincoln county would be thoroughly safe in the hands of such a sheriff as Mr. McCarty would make.

THE entertainment given by Mr. J. Walter Wilson at Walton's Opera House last night was fairly well attended and heartily enjoyed. "In His Steps" was splendidly presented by Mr. Wilson and the illustrations by his wonderful machine added no little to the rendition of Mr. Sheldon's great work. To night's program will consist of songs, poems and moving pictures and to morrow, Wednesday night, Lew Wallace's great Ben Hur will be given. Don't fail to see both entertainments. They are worth many times the price of the 10c and 20c charged and the cause for which they are given is a most commendable one.

THE democratic county committee met here Saturday afternoon and after deciding on Saturday, Dec. 3, as the day and a primary as the method of nominating candidates for county offices fixed the following amounts as entrance fees: For sheriff \$30, for judge \$20, for representative \$10, for jailer \$20, for assessor \$20, for school superintendent \$15, for county attorney \$20 and for county clerk \$20; the money to be paid 15 days before the date of the primary. If many of the candidates drop out the above amounts may have to be slightly increased. Any money left over after all expenses of the primary have been paid will be returned to those who paid it. W. S. Burch resigned as committeeman in the Engle House precinct and the vacancy will be filled in a few days.

AT about 1 o'clock Monday morning Sheriff M. S. Baughman was telephoned to come to South Fork trestle, where trouble was brewing between the whites and blacks who are working on the fill there. Mr. Baughman called up Mr. Jesse C. Lynn, who is always ready to help keep order, and they left half an hour later for the scene. On arrival at South Fork they found that the white laborers had ordered the Negro workers to leave the place and many of the former were armed and ready to carry their order into effect. The arrival of Messrs. Baughman and Lynn had a salutary effect, however, and trouble was at an end for a while at least. The gentlemen remained there most of yesterday and at last accounts all was quiet. Sheriff Baughman made the arrest while there of Minnie Johnson, colored, who is charged with entering Mrs. Carter's house and stealing a lot of goods, etc. She was tried before Judge Bailey this morning and held over until circuit court.

Mr. Baughman called up Mr. Jesse C. Lynn, who is always ready to help keep order, and they left half an hour later for the scene. On arrival at South Fork they found that the white laborers had ordered the Negro workers to leave the place and many of the former were armed and ready to carry their order into effect. The arrival of Messrs. Baughman and Lynn had a salutary effect, however, and trouble was at an end for a while at least. The gentlemen remained there most of yesterday and at last accounts all was quiet. Sheriff Baughman made the arrest while there of Minnie Johnson, colored, who is charged with entering Mrs. Carter's house and stealing a lot of goods, etc. She was tried before Judge Bailey this morning and held over until circuit court.

Dragging Pains

2925 Keeley St.,

CHICAGO, ILL., Oct. 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groin. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. I went to try I knew not for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Maudie Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

For advice in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

STOMACH DOSING WILL NOT CURE.

Only Way to Cure Catarrh is by Breathing Hyomel.

Ask any physician if catarrh is a blood disease and he will tell you that it is a diseased condition of the mucous membrane and that it cannot be cured by blood purifiers, pills, tablets or other forms of Stomach dosing. The only sensible and scientific way of curing catarrh is by the use of Hyomel.

Breathed for a few minutes, four or five times a day, through a hard rubber inhaler that is so small that it can be carried in the vest pocket, Hyomel will absolutely destroy all catarrhal germs and cure the disease. Penny, one of the most reliable firms in Stanford, giving his personal guarantee with every package of Hyomel he sells that it will effect a cure or he will return the money. He has had scores of reports of remarkable cures of both acute and chronic cases of catarrh by Hyomel.

The complete Hyomel outfit costs \$1, and comprises an inhaler, a bottle of Hyomel and a dropper. The inhaler will last a lifetime, and additional bottles of Hyomel can be obtained for 50c.

The amount of life insurance held in Boston is \$543,700,000, or about \$1,000 for every man, woman and child in the city. These figures do not include the large amount of life insurance carried in the fraternal assessment societies, which have a stronger hold in Boston than in any other city in the union, the headquarters of several of the more prosperous fraternal insurance organizations being located there.

To Live in Peace.

A woman may accept a man in haste, but man chooses his wife at leisure. It is to be supposed that when a man asks a woman to marry him he has decided that he can not live without her. If he can't live without her it is certainly his duty to do his best to live with her. This is not always as easy as it sounds. Here are a few sample rules for the wise husband:

If your wife frowns at you, smile at her.

If she smiles at you, laugh with her.

If she is angry soothe her.

If she is graceful thank her.

If she is wise praise her.

If she is economical commend her.

If she is extravagant explain to her.

If she sacrifices her pleasures for you be generous with her.

If she is beautiful appreciate her.

If she cooks well compliment her.

If she is lonely stay at home with her.

If she is tired tend her.

If she doubts you be frank with her.

If she deceives you be harsh with her.

If she is saucy kiss her.

If she is good adore her.
